Jax Woodworkers Club,

I wanted to thank Jax Woodworkers Club once again for the toys your organization provided our agency at the Annual Toy Giveaway. The kids were all so grateful and we were able to give 8 additional families, that were displaced from IRMA, extra items because of your generosity. Some of the families choose to paint the toys as part of their family's Christmas activity, instead of baking cookies. I did not want to enter 2018 without one more communication of gratitude! May God bless your amazing volunteers and generous organization.

Respectfully,

Beth Meyer, PA
