Dear Jacksonville Woodworks Club,

We have received your kind contribution of 6 boxes of hand-made wooden toys on 12/14/15. Please accept our sincere gratitude for your gift. Your concern for the hospital and the many children we serve is appreciated.

In accordance with the IRS rules, we confirm that you have received no goods or services in exchange for your gift.

Allow me to assure you that your gift plays a meaningful role in fulfilling the hospital's mission of quality care.

Shriners Hospitals for Children® is a one-of-a-kind international health care system of 22 hospitals dedicated to improving the lives of children by providing specialty pediatric care, innovative research and outstanding teaching programs. Children up to the age 18 with orthopaedic conditions, burns, spinal cord injuries and cleft lip and palate are eligible for admission and receive all care in a family-centered environment regardless of the patients' ability to pay. Shriners Hospitals for Children® relies on the generosity of donors like yourself to deliver this mission every day.

Sincerely,
