Jacksonville, FL 32225

Dear Jax Woodworkers Club:

Thank you for the donation of wonderful hand-made, wooden cars for the patients of Wolfson Children's Hospital. These toys were so perfectly made and sanded to such a smooth finish that they are perfect for children's little hands. Many of the Wolfson patients are now enjoying the wooden cars, which help to brighten the day for them.

Thank you for your kindness and thoughtfulness in regard to the patients and families of Wolfson Children's Hospital.

Sincerely,

A handwritten signature in black ink that reads "Murray Benz".

Murray Benz, President
Wolfson Children's Hospital Auxiliary
